Wire Ropes

## WIRE ROPES SUPPLY AND INSTALLATION

**The wire rope is the most critical component of the LSA equipment; it connects the davit to the winch in order to make it possible to lower/hoist the boat.**

**Many of past incidents that involved lifeboats were due to wire ropes.**

**Not all wire ropes are suitable for every system.  
Hoisting wire rope / travelling wire rope.**

**Solas requires to replace the wire rope every 5 years, replacement is due before in case of wire rope damage.**

**Fleet Agreement:**

- **Cost Efficiency**
- **Orders by Volumes**
- **Class Certification**
- **Transportation**
- **Simplifying the process**

**Quality:**

- **European Manufacturing**
- **European Steel**
- **Class Test and Certification**
- **Multi Year Expertise**

## Added values
