Regulatory Framework

BC Service is an Authorized Service Provider for each make and type of equipment by Administrations and ROs in accordance to latest SOLAS requirements

With recently SOLAS amendments entered into force on January 1st, 2020, personnel to carry our inspections, repairs and maintenance shall be trained and certified by the Authorised Service Provider for each make and type of equipment - NO NEED to be trained by the OEM.

Resolution 402(96) sets a clear distinction between Manufacturers and Authorised Service Providers.

Manufacturers are the entities whose business is manufacturing equipment, Authorised Service Providers are the entities whose business is to carry out inspections, repairs and maintenance.

Also manufacturers, when carrying out inspections, repairs and maintenance on their manufactured equipment, shall be certified as authorised service providers.

Our local Chinese subsidiary is MSA registered by all classification societies
