LIFEBOATS & LAUNCHING APPLIANCES

Back to LSA manufacturing... as good things never come to an end!
Following our historical experience in the lifeboats manufacturing, we have started again our production of lifeboats and launching appliances.

Our massive experience in LSA multi brand service combined with historical experience in manufacturing leads to optimised solutions to deliver top quality standards and extended reliability.
Our production reflects our core values, quality and clients satisfaction.

Lifeboats are equipped with **U-Hook™**, the highest quality standard Release and Retrieval System.
